PROFESSIONAL SUMMARY

Mechanical Engineering student at UC Riverside with 6+ years of Java programming experience, an Oracle Java OCA certification, and hands-on teaching experience in robotics and Python. Proven ability to build technical skills independently, communicate complex concepts clearly, and sustain long-term commitments across technical and leadership contexts.

EDUCATION

University of California, Riverside

Bachelor of Science, Mechanical Engineering.

Expected June 2029

Scripps Ranch High School

High School Diploma.

San Diego, California

May 2025

EXPERIENCE

Robotics and Python Camp Instructor

June 2026 – August 2026

League of Amazing Programmers

- Taught robotics and Python programming to classes of up to 15 students in kids summer camps

Math Tutor

2024 – 2025

Private Family

- Tutored a 5th grade student in math on a recurring basis for over one year, developing customized lesson approaches to reinforce foundational concepts

Team Member

July 2025 – September 2025

Stater Bros. Markets

- Supported daily store operations in a fast-paced retail environment

Java Programming Student

2019 – 2025

League of Amazing Programmers

- Completed 6+ years of structured Java programming coursework

ACTIVITIES & LEADERSHIP

MK Band Project

2020 - 2025

Founding Member and Performer

- Performed bi-weekly virtual concerts for day programs across Canada alongside siblings, logging 300+ shows over five years with a new setlist every three weeks; also performed in-person shows in California for local assisted living facilities.

Manna's Martial Arts

2016 - 2024

Second Degree Black Belt and Volunteer Instructor Assistant

- Trained continuously for 8 years to earn a second degree black belt; assisted Masters and Grandmaster during belt tests by directing students on the floor, evaluating performance, and coordinating post-test logistics.

San Diego Gulls Hockey

2024

Guest Performer

- Performed the national anthem with band before a live audience of over 8,000 attendees.

Scripps Ranch High School

2 years each

Robotics Club and Chess Club Member

- Active member of both Robotics Club and Chess Club for two years.

SKILLS

Technical: Java (6+ years, OCA Certified), Python, Robotics

Other: Peer instruction and tutoring, Team collaboration, Leadership

CERTIFICATIONS

- Oracle Java OCA (Oracle Certified Associate) — September 2025
